The ELRC is required to include **ALL** income into the household. In addition, the ELRC is required to collect information on custody arrangements (care and control).

If you **DO NOT** have court ordered child support, please be sure to answer question #1 below.  
If you **DO NOT** have court ordered visitation, please be sure to answer question #2 below.

This form will assist the ELRC in accurately determining your household eligibility, co-payment and child care schedule while reducing the possibility for fraud, waste and abuse of subsidized child day care services. If you are concerned that you, a member of your family or household is at risk of domestic or other violence, please check this box.
